

Masking & Screening:

- As part of our attempt to keep things as safe as possible, we will ask you to wear a mask while exercising
 - o If you have a mask already, please use this!
 - o If you don't have a mask, we have a big supply for you to use! We just ask that you put your used mask in our "dirty bin" when done so we can wash.
- There is more info on masking/screening in the attached document. Please read that.

Schedule:

Friday, May 1: Open 8 AM – 4 PM

- Members are encouraged to come in this day to figure out memberships going forward.

Saturday, May 2: Closed

Monday, May 4: Full hours begin

- Monday-Thursday: 5 AM – 10 PM
- Friday: 5 AM – 6 PM
- Saturday: 6:30 AM – 12 PM

Group Fitness:

Decisions still being made on this, but class attendants and instructors will be contacted when we start back up.

Memberships info:

Memberships were charted based on how much of the membership was used at the time of closing (March 17, 2020). It is as follows:

For 1-month and recurring membership payments:

- Those with 0-5 days left at time of closing must pay upon return, and don't get free memberships.
- Those with 6-20 days left at time of closing are allowed to work out for free until May 16.
- Those with 21+ days left at time of closing are allowed to work out for free until June 1.
- There will be no returns, and free time must only be used May 1 – May 31.

For yearly memberships:

- All yearly memberships have automatically been given a free month at the conclusion of their yearly membership.

For those who have payroll deduction:

- Contact me if you have payroll deduction and we will get you started.

Setting up memberships:

1. We recommend that you simply respond to this email with your plans. I will then let you know if you qualify for "free days", and figure out how to start next payment. Paying with credit card is the easiest way to do this.
2. If you prefer to do it in person, we recommend that you stop in from 8 AM – 4 PM on weekdays so that I can personally help you with this.
3. Our morning and nighttime staff have been instructed to help you as well, but we prefer that they focus on screening people and keeping people safe.
